A NEW THREAT! THE CRAWLERS ARE ATTACKING!

One dark day in Chima, the Crawlers came scuttling out of the Eternal Gorge, stole all the CHI and drained the CHI streams dry! The Lions and Crocodiles have called a truce so they can fight their Spider enemy together.

Only the Legend Beasts can make the CHI flow again but they've disappeared, so I've put together a team of brave warriors from all the Animal Tribes. They're now searching for the Legend Beasts in the dangerous Outlands!

Let me tell you about everyone...

NEW VILLAINS!

Spinlyn

The Spider Queen

"Spinlyn looks beautiful to her subjects, but she's really the ugliest creature in all of Chima! She only wants the CHI so she can use it to stay young and beautiful forever!"

Sparratus

The Spider

"This Spider Drone only has two legs and the other Spiders often make fun of him. But Sparratus is one of Spinlyn's best fighters who has pledged eternal loyalty to her."

Braptor

The leader of the Bats

"Braptor is not the smartest creature, but the other Bats obey his every word – mainly because they're not too clever themselves! Braptor and his Bat Friends don't really know what they're fighting for, they just blindly follow the orders of the Spiders."

NEW HEROES!

"Lavertus the old Lion lives alone in the Outlands. He is a genius inventor and a very loyal friend. He gives us protection at his secret base and sometimes even bakes some cupcakes for us!"

Lavertus

The Hermit

Shadowind

The Mysterious Warrior

"Shadowind is a very curious warrior. Nobody knows where he comes from or who is behind the mask. All we know is that he's the best Speedor pilot in all of Chima... And I'm about to race against him!"

TURN OVER NOW TO FIND OUT WHAT HAPPENS BETWEEN LAVAL AND SHADOWIND IN THE SPIDER TOURNAMENT!

THE SPIDER TOURNAMENT

PART 1

Grrr, I can't stand the sight of this!

Slurp
Smack!

CHIMA is like a wasteland. The Scorpions, Spiders and Bats have drained the sacred pool of CHI and are holding the Legend Beasts captive! But there is hope...

A super team of warriors has been sent to the Outlands to rescue the Legend Beasts. So far, Laval, Cragger, Eris, Worriz, Gorzan, Rogon, Razar and Bladvic have only found the Crocodile Legend Beast...

Luckily, the heroic team have a Friend in the Outlands: Lavertus the hermit Lion. He supplies the Friends with weapons, armour and delicious cupcakes!

You have a truly LEGENDARY appetite.

SNAPP!

Mind your Fingers!

Laval and Cragger are mates again.

Thanks, Cragger.

Don't Forget your armour, Friend. You'll need it in the Outland!

A message Falls From the sky...

I'd rather take part in a proper Speedorz tournament... Hey, what's this?

Fancy a race through Lavertus's defence obstacle course?

It's an invite to the last grand Speedorz tournament in Chima – it's happening TODAY!

CHI
BONUS
1

Clumsy Lavertus lost a cupcake on this page. Can you find it?
Answer on page 34!

Looks like an invitation From King LaGravis.

I really want to take part in the race! We could use the golden Orb For our quest!

Out of the question! We have seven Legend Beasts to Find. We must get the CHI back. Our Tribes are counting on us!

I'm off for a snooze. Please keep it down!

The Spiders have also heard about the tournament.

CHI
BONUS
2

Can you find and
circle the shadow
that looks wrong
on this page?

Answer on page 34!

Good idea! Perhaps
we can hold our
own Speedorz
tournament as well!

What have you
got there,
Sparratus?

Exciting news, my Queen! The
inhabitants of Chima are
holding their last Speedorz
tournament. This is our chance
to steal their golden CHI!

We could, your Majesty,
but we don't have any
speedy-wheely vehicles!

Er, right. Well.
Very good,
my Queen.

Then YOU shall
GET SOME For
me, Sparratus!
NOW!

The Spider Queen's boredom
has quickly vanished!

PUZZLE

In a fight with his Bat Friends, this photo of **Blista** was ripped apart! Can you find the right pieces to put it **back together** again?

SHREDDED PHOTO

Find the answers on page 34!

Later that day, while driving across the wild Outlands...

Hey, Laval. Think you might sneak off to the Speedorz tournament?

No, Eris was right. Our search for the Legend Beasts is more important than anything else.

Laval has a Funny Feeling...

Just let me know if you change your mind!

Why do I get the sense that someone is following us?

SWISH

What?
W... ?

Hey, Eris, what's happened to Laval?

I really hope he hasn't snuck off to that Speedorz tournament!

Laval wakes up in a strange place...

Where...
Where
am I?

In a cave in
Spider Canyon.

Shadowwind!

What are you
doing here?

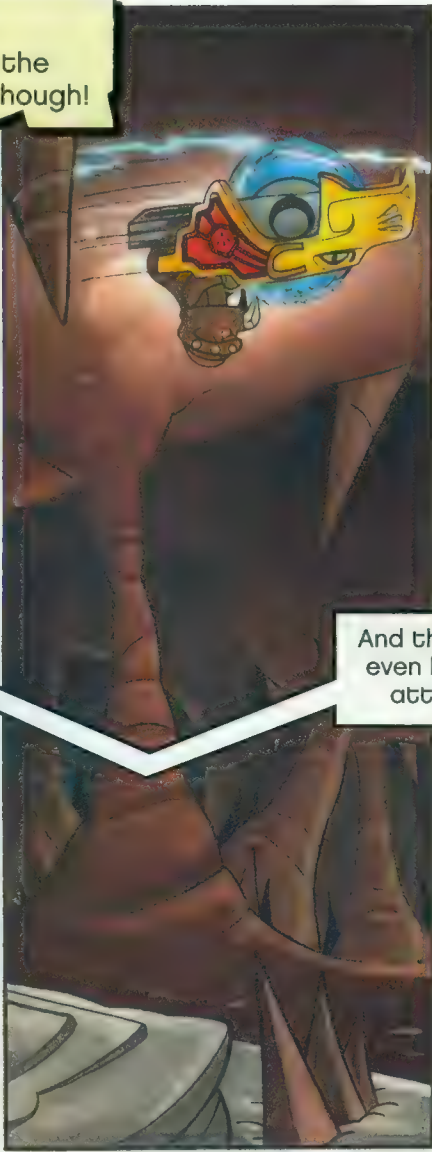

The Spiders ambushed me and stole my
Speedor. Guess they did the same with you.

GRRRRRRRRRRRR!!
Hnnng... ARGH!

Don't bother trying. The bars are
made of indestructible Spider steel!

Hey! Give me back
my Speedor!

Ignoring Laval, Sparratus turns on the Speedor and sets off whizzing through the cave. He could do with a lesson or two though!

And that's not even his first attempt.

Enough! You're useless! IF I get my first grey hair because of you...

AHA! What about these two prisoners here?

Find the answer on page 34!

THE EAGLES

The Eagles are among the Few Animal Tribes who can Fly. They live high up in the sky and guard over Chima.

ERIS

Eris is not very strong, but more than makes up for this with her brain – her tricks and tactics are pure genius! Her fierce intelligence also means she is better than the rest of the Eagles at getting along with Earth Tribes like the Lions.

Ewald is the Leader of the Ruling Council of the Eagles. He makes all the decisions for his Tribe and he's always looking for the perfect solution to any problem. He is more an Eagle of words than an Eagle of action.

EWALD

Brave, strong and true, that's Ewar. Unfortunately, he is also extremely stubborn and doesn't like change! He always sticks to a plan to the bitter end.

EWAR

Equila is the Flying ace of the Eagles, and is very at home in an Eagle jet. When he's not busy winning every battle in the air, he's guarding the mighty Eglaxxor – the royal weapon of the Eagle Tribe.

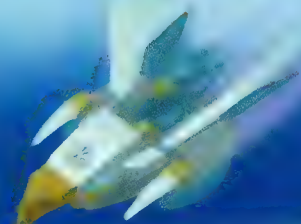

EQUILA

The blue Eagle is an excellent sharpshooter who can hit absolutely any target! He's also a technical genius who is always playing with his new inventions.

EGLOR

Eagle Spires

The home of the Eagles is high up in the sky, perched in the sides of mysterious rocky towers. From up there, they can see all of Chima. The Eagles don't get involved in the affairs of the Tribes on the ground, they just keep their beady Eagle eyes open... On the lookout for danger.

Up, up
and away!

Over land and through the air!

The Eagles live at dizzying heights, so they need vehicles that can move through the air. Their Speedorz have propellers and Eglor's Powerbike can transform itself from a motorcycle into a glider!

SPOT THE DIFFERENCE!

PUZZLE

It's hard to take a photo of **Shadowind**, as the **mysterious Speedorz pilot** rarely stands still! After three attempts to photograph him, only one came out right!

There are four mistakes in photos 1 and 2. Can you find all eight of them?

ATTACK ON SPINLYN'S CAVERN!

Scorpions, Spiders and Bats are the super-cool new LEGO vehicles to enter Chima. Laval, Eris and Cragger have raced ahead on the Rhino Bike and are facing up to the Spider Queen with their new weapons!

Rogon!
Grab that eight-legged pest!

CHI BONUS 6

Five of Spinlyn's small black spiders are hiding on this page. Can you find them?

Answer on page 34!

CHI BONUS 5

Who is saying that Spinlyn is gross?

Answer on page 34!

Come on, little animals. You'll never escape my sticky spider web!

Ugh! That Spinlyn is so gross!

NAME: Sparratus's Spider Stalker
EQUIPMENT: Spider web rockets
CAPABILITY: Can stamp with its legs
CREW: Sparratus

I hope my Banana Blaster gets me out of this sticky situation!

You'd better scam! You don't stand a chance!

IF you mess with the Spiders, then that means you're messing with the Scorpions as well! I'll get you with the poisonous pincers and barbed tail of my Scorpion Tank. Then I'll hurl a huge ball of venom at you!

Pah! I have my new ShadoValious sword – nothing can happen to me!

Don't worry, our new armour will protect us from Scorpion attacks!

NAME: Scorm's Scorpion Stinger
EQUIPMENT: Sharp pincers and venomous barbed tail
CAPABILITIES: Hurls balls of venom and is lightning fast
CREW: Scorm

I will grant Freedom to the winner of the tournament. The loser shall massage my legs for all eternity. So, actually, everyone's a winner!

And so the Spider tournament begins! Laval's super Speedor skills means he wins the first test with Flying colours!

Your first task is to reach the summit safely. Be warned! My soldiers are waiting to squash you like flies, ha ha ha!

Nervous, kid?

Dream on!

KLONK!

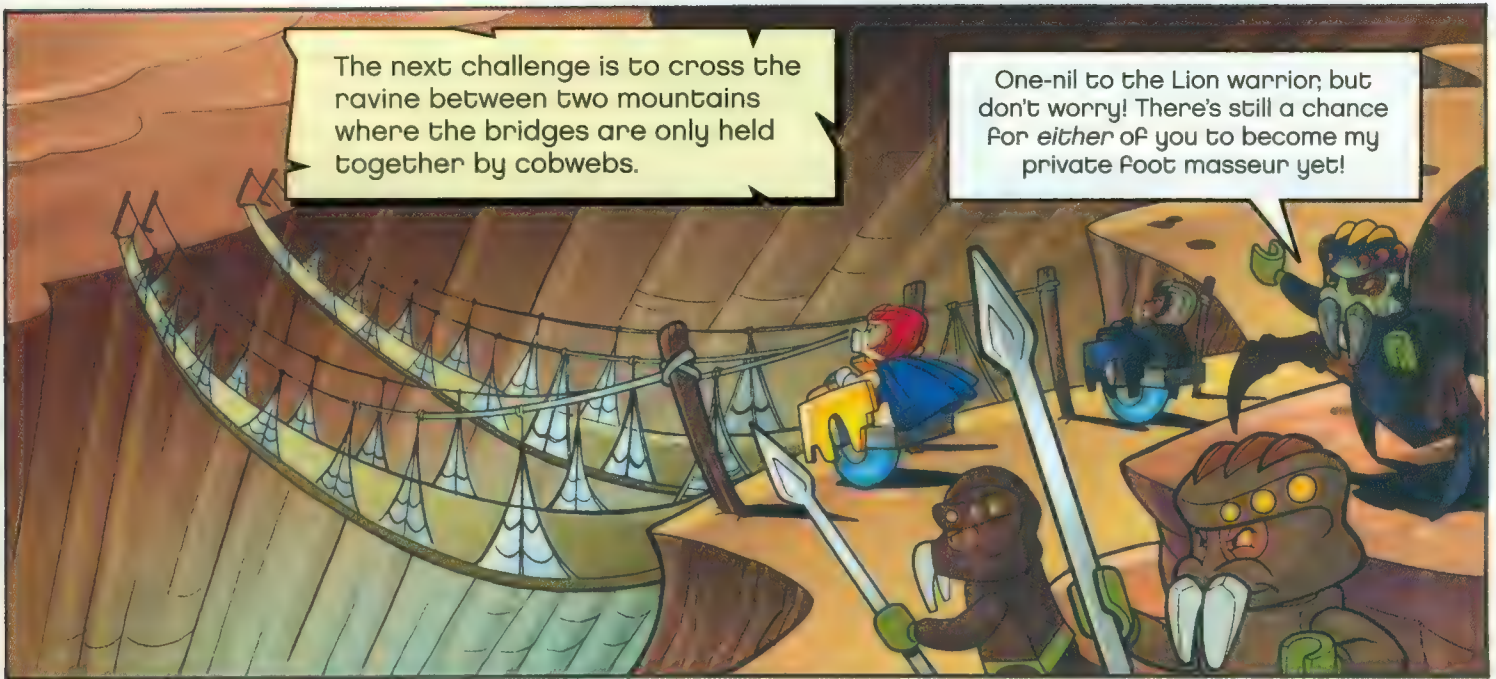

Yes! I've won!

Shadowind is not happy...

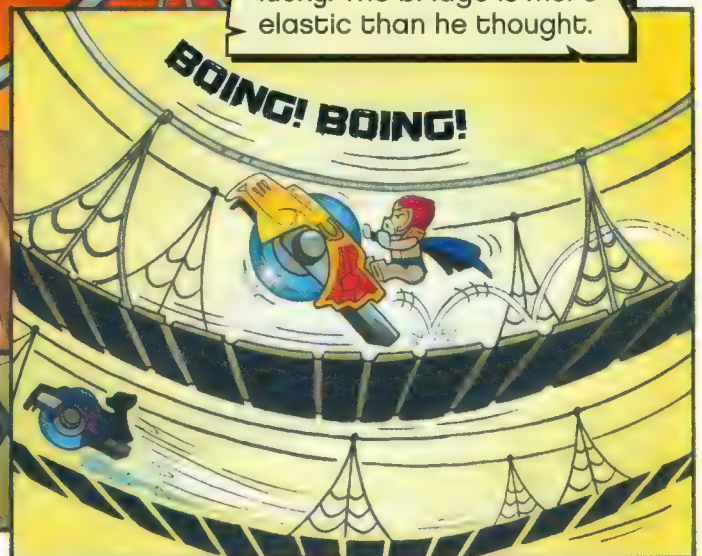

Yeah, well, let's just see what happens in the next round, shall we?

The next challenge is to cross the ravine between two mountains where the bridges are only held together by cobwebs.

One-nil to the Lion warrior, but don't worry! There's still a chance for *either* of you to become my private foot masseur yet!

This time, Laval is not so lucky. The bridge is more elastic than he thought.

It's a tie! Sparratus, get the Spider Stalker ready. My cucumber mask has finally dried.

Ooh, he didn't like that ride! And I thought Lions were only aFraid of water!

As you wish, my lady. Where are we going?

To the Gorge of Eternal Depth.

CRACK!

Meanwhile, Eris, Cragger and the other warriors are preparing for their first night in the open.

I can't believe Laval has let us down like this!

Maybe there's another reason...

Yikes! Did you hear that, too?

Let's check it out. Come on!

Eris and Cragger sneak up on the Spiders and hide behind a tree...

Where are you going?

The Gorge of Eternal Depth. The Spider Queen has captured the Lion warrior and that masked troublemaker.

She's making them compete against each other.

It's not too late though! You fly to the Gorge and I'll get reinforcements.

Oh no! Laval didn't leave us in the lurch. He's been kidnapped!

For the last challenge, Spinlyn has come up with something really special.

The eternal drop from the cliff ramp!

CHI BONUS
7

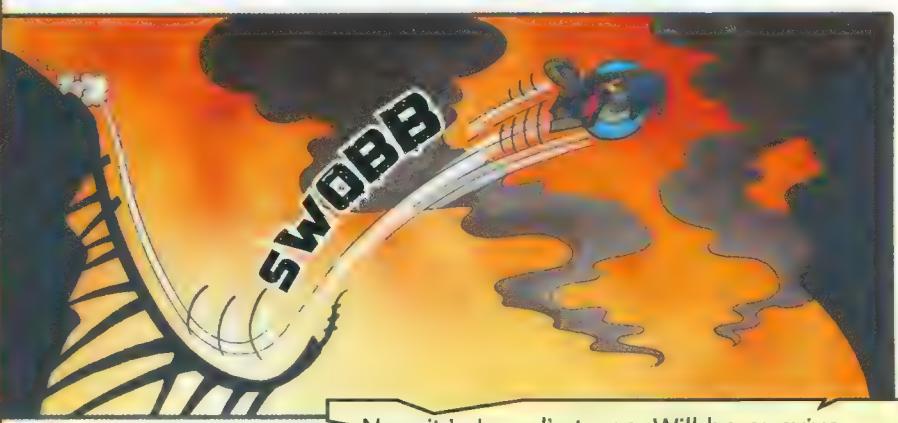

On the last page, Shadowwind told you what the Lions fear the most. What was it?
Answer on page 34!

Shadowwind is the first to try out the death-defying leap.

See you on the other side?

Good luck!

Now it's Laval's turn. Will he survive the leap from the cliff ramp or will he be swallowed by the Eternal Depth?

That was close! Shadowwind was only millimetres from falling!

Let's do this!

Laval heads towards the ramp...

...And takes off.

VROOOOMMM

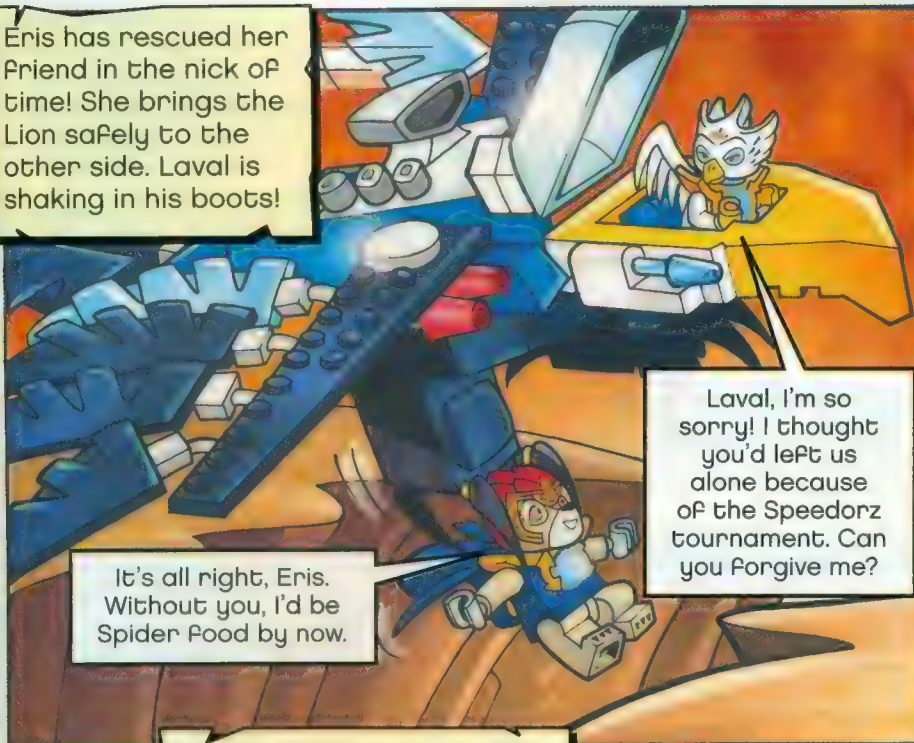

Noooooooooooo!

But it's not looking good for the Lion. He's starting to fall!

What's this? Suddenly, Laval is rising back up into the air!

SNAAAPP!

Eris has rescued her friend in the nick of time! She brings the Lion safely to the other side. Laval is shaking in his boots!

Laval, I'm so sorry! I thought you'd left us alone because of the Speedorz tournament. Can you forgive me?

It's all right, Eris. Without you, I'd be Spider Food by now.

But Cragger swoops in to save the day... And Laval!

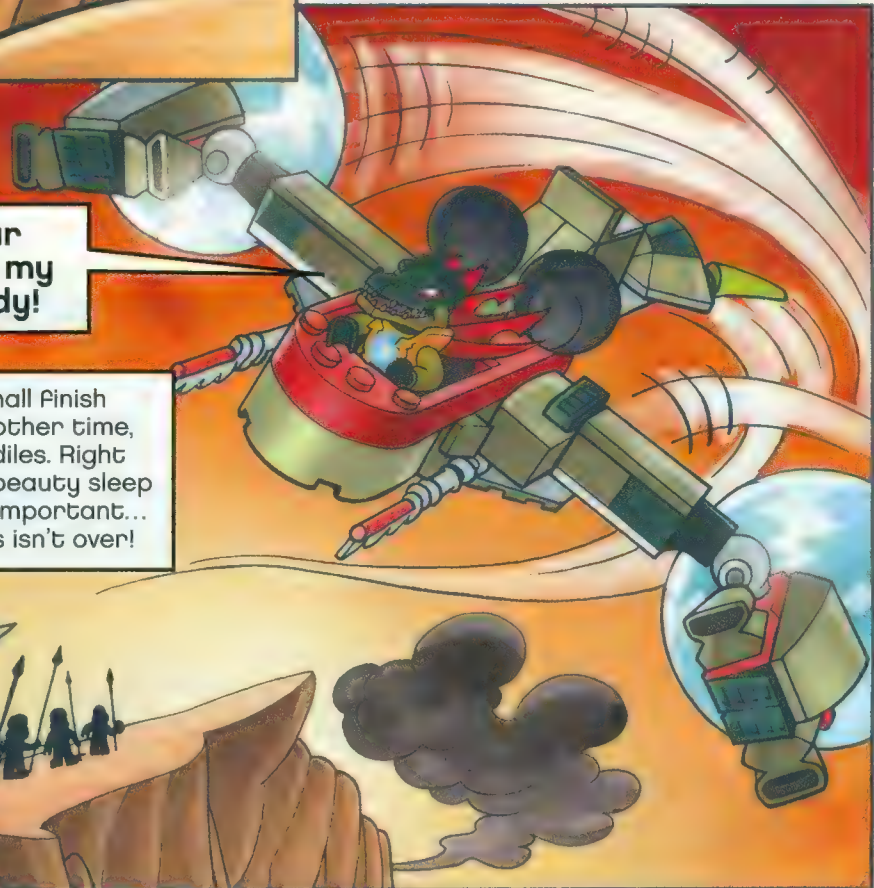

Spinlyn is beside herself with rage.

The Lion warrior cheated! Soldiers! Seize him and bring him to me!

Take your hands off my best buddy!

We shall finish this another time, Crocodiles. Right now, my beauty sleep is more important... But this isn't over!
